On Veteran's Day back in November, Mukilteo Schools Foundation successfully hosted their annual breakfast fundraiser at Mariner High School. With nearly 230 people in attendance, they were able to raise \$51,000 to help support Mukilteo School District schools, teachers, and students!

They also announced a new fund called the James Abbott Foster College Fund where they will be able to help cover costs for foster kids at Mariner High School associated with college prep and college attendance.

For more information or to get involved with the foundation please call 425-931-3066 or visit [mukilteoschoolsfoundation.org](http://mukilteoschoolsfoundation.org)
